

Breaking Ground: Building Resilient and Innovative Food Systems

Presented by the

Halton Food Council

Sponsored by

Ontario
Trillium Foundation

Fondation Trillium
de l'Ontario

An agency of the Government of Ontario

November 6, 2014 8am-1pm

Local food, organics, CSAs, farmer's markets, community grocers, farm-to-table restaurants, and local food hubs.

Food can bring us together and shape the world we live in by building vibrant and just rural and urban communities through sustainable food systems. Hear from a panel of farmers, policymakers, community groups, and grocers as they tell their stories about the opportunities and challenges to build a more resilient local food system. Share your story and help shape the future of food in Halton. Together we can create a shared table with room for all!

A local breakfast and lunch will be served. For more information contact haltonfoodcouncil@gmail.com or call 647-830-0328. Space is limited.
